Second Meeting of the Research and
Development Subcommittee

STAT

1. [] Receipt of your request for affiliation with the Research and Development Subcommittee (reference a) is noted. Per your request and the general interest of our member agencies, an Armor Working Group of the Research and Development Subcommittee has been established (reference b).

STAT

2. [] You are hereby designated Chairman of the Armor Working Group of the Research and Development Subcommittee. The mission of this Working Group will be to exchange information and encourage research and development relating to the antiterrorist vehicle armoring area. Personnel armoring as it relates to the above problem should also be pursued as resources permit and results warrant.

3. [] You or a representative of your Working Group are invited to attend the regular meetings of the Research and Development Subcommittee in order to keep us informed of your activities as you have matters to report. Please forward one copy of the minutes of any meetings you may have to me and also to the Executive Secretary of the Security Committee.
